

**Serial No.: 09/068,377**  
**Filed: May 8, 1999**

**REMARKS**

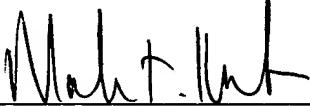

The present amendment is intended to be fully responsive to the requirements set forth in above referenced Notice to Comply. Enclosed herewith is both a paper copy and computer readable copy of a new sequence listing and an amendment directing its entry into the present specification. The content of the enclosed paper copy and computer readable copy of the sequence listing are identical. No new matter is added or introduced.

In light of the above amendment and remarks, Applicants believe that this application is now in full compliance with the rules for patent applications containing nucleotide and/or amino acid sequence disclosures.

The examiner is invited to contact the undersigned at (650) 225-4461 if any issues may be resolved in that manner.

Respectfully submitted,

GENENTECH, INC.
